Section 2. <http://www.innatdelhi.com>'s Position on your privacy

<http://www.innatdelhi.com> recognizes the premium you place on privacy protection on the Internet. Our employees share the same concerns. Working together, we strive to protect your privacy; including the non-identifying information you share in the personal profile that you must complete in order to become a participating member ("Member") within the Interactive Areas of this Website.

<http://www.innatdelhi.com> does not collect personally identifiable information about Members or other <http://www.innatdelhi.com> users (Users) except when such individuals specifically provide such information on a voluntary basis. A Member's or User's access to and use of the <http://www.innatdelhi.com> Website or services constitutes information voluntarily given by the Member or User.

Use of Registration Information: Personally identifiable information of individual Members and Users will not be sold or otherwise transferred to unaffiliated third parties without the Member's or User's prior consent. <http://www.innatdelhi.com> stores the Internet Protocol (IP) address of your computer when you visit our site.

This information is only used to create broad demographic and statistical summaries of where our Members and Users come from.

However, <http://www.innatdelhi.com> may use registration information and other voluntarily submitted information in the following ways:

* To provide our editors with information that is useful in developing new features and services for <http://www.innatdelhi.com> Members and Users.

* To provide advertisers with aggregate, never individual, information about our Member base and User demographics; and <http://www.innatdelhi.com> reserves the right to perform statistical analyses and profiling of Member and User behavior and characteristics in order to measure interest in and use of the various areas of the site and to inform advertisers of such information. <http://www.innatdelhi.com> may sometimes permit third parties to offer subscription and/or registration-based services through <http://www.innatdelhi.com>. In this event, <http://www.innatdelhi.com> is not responsible for any actions or policies of such third parties and Members and Users should check the applicable privacy policy of such party before providing personally identifiable information.

Once logged on to the website it is not possible for a Member to delete his or her profile from our database, nor is it feasible to delete all traces of a Member's or User's activity in the system. <http://www.innatdelhi.com> may send regular email updates to registered Members. If you wish to have your email address deleted from our database, email us at <http://www.innatdelhi.com> and include the words "CANCEL SUBSCRIPTION" exactly as they appear, in the body of your email. Please allow at least 7 (seven) working days for the actual cancellation to take effect. We shall not divulge your email address to third parties without your prior consent.

Voluntary Disclosure of Personally Identifiable Information on Bulletin Boards, Chat Rooms, and other Interactive Area (collectively referred to as "Interactive Areas").

Subscribers and Users should be aware that when they voluntarily disclose personally identifiable information (for example, user name, e-mail address) on the bulletin boards or blogs of <http://www.innatdelhi.com>, that information, along with any substantive information disclosed in the Subscriber's or User's communication, can be collected and correlated and used by third parties and may result in unsolicited messages from third parties. Such activities are beyond the control of <http://www.innatdelhi.com> and we take no responsibility for the results of the same.

Cookie Technology: <http://www.innatdelhi.com> may employ cookie technology to allow Subscribers and Users to move more quickly through our site. Cookies are small text files a website can use to recognize repeat users and facilitate the users on going access to and use of the site. Generally, cookies work by assigning a unique number to the user that has no meaning outside the assigning site. They do not come onto a user's system nor do they pose a threat to a user's files.
